# MAILING ADDRESS UPDATES FOR PER CAPITA CHECKS

The last day to get your mailing address updated in time for your **per capita check** to be mailed to a new address is **Friday, July 13, 2018** by the end of the business day. Any address changes after that date will affect the mailing of the per capita check, causing a delay in receiving it. Please see the information below about address changes and missing moccasins. For the full policy regarding per capita checks, please see the Tribal Member Distribution Ordinance on the tribal website [www.ctsi.nsn.us](http://www.ctsi.nsn.us) under Government Listings > Tribal Ordinances.

One of the popular questions is **“How much is per capita going to be?”** That amount is calculated on July 1<sup>st</sup> taking in to account the amount to be distributed, the number of enrolled Tribal members alive on that day, and postage costs. On Monday, July 2<sup>nd</sup> after 12:00 PM you will be able to call **(541) 444-8224** to hear an automated recording of the amount as well as going to the Tribal website, under the opening page of the member area login for the written announcement.

## WHERE IS MY PER CAPITA CHECK?

Per Capita checks are going to be mailed on Monday, July 31<sup>st</sup> to the current address on file with the Enrollment Department.

- The Tribal Member Distribution Ordinance requires distribution of checks to be initially MAILED; therefore it CAN NOT be picked up at the Siletz Tribal Office. Per capita checks are NOT able to be direct deposited.
- Mail from Siletz takes as long as four days to get to an address in Portland, Salem and Eugene. Please allow for the “snail mail” time before calling to see where your per capita check is.
- If you are a “Missing Moccasin” as of Friday, July 13<sup>th</sup> your check will be held until a correct address is submitted. If you are a “Missing Moccasin” and update your address between Monday, July 16<sup>th</sup> and Tuesday, July 31<sup>st</sup> the per capita check will be MAILED ON Tuesday, August 1, 2018. All other “Missing Moccasins” that update their address after August 1, 2018 will have their checks mailed when the address update is received.
- The adult “Missing Moccasin” list is now on the Tribal website on the Enrollment page under Government Listing. Please check there to see if you know anyone that is listed.

- Policy states you must wait 15 business days (in the case of per capita checks until 8/22/2018) from the time of mailing before you can submit a request for a “stop payment” and the check re-issued. This allows time for the check to be returned if it is “undeliverable” to the address it was mailed to.
- If your check is returned as “undeliverable” you must submit an address update in order to have your check re-mailed.

## MISSING MOCCASINS DO NOT RECEIVE THEIR PER CAPITA CHECKS ON TIME!

If someone does not have a good address and phone number on file with Enrollment, that person is considered a “Missing Moccasin.”

Please check the list on the Tribal web-site for anyone you might know. Missing Moccasins do not receive this newsletter, election mail, per capita checks, 1099 forms and other important mail from the Tribe. Are you a parent of a minor Tribal member that did not receive a statement of their Minor Trust account earlier this year? It could be that your CHILD is a missing moccasin.

## ADDRESS CHANGES

If you have recently moved, even if you have a forwarding address on file with the post office, please get your *Address & Contact Information Update* form in as soon as possible. You can get the form on the Tribal website, from any Tribal office or contact the Enrollment Department to have one mailed to you. All address updates must be in writing to ensure that you have requested the address to be changed, this is for your own security.

As a note, “General Delivery” is NOT an acceptable as a mailing address as it is only temporary and the Post Office will only hold the mail for a limited time for delivery. We had a large amount of “General Delivery” mail returned and this is not effective in getting mail to tribal members when we need to. It is much better to rent a Post Office box if you are not able to use a permanent address somewhere else. If this is a concern for you or someone on the Missing Moccasin list, call 1.800.922.1399 ext. 1258 and we will work with them to figure out a permanent address solution.

Confederated Tribes of Siletz Indians

Tribal Maternal, Infant, & Early Childhood Home Visiting Program

Naytlh - 'a "We Carry the Children"

*Our home visiting program provides parenting and life skills for successful and positive parenting. We serve native families that are either expecting or have infants under the age of twelve months, continuing through the child's third birthday. We travel throughout the 11 county service areas of the Confederated Tribe of Siletz Indians. The model and curriculum we provide is called Family Spirit and was developed by the John Hopkins Center for American Indian Health. We are funded by the Tribal Maternal, Infant, Early Childhood Home Visiting Program (TMIECHV).*

*Family Spirit is Evidence based and culturally sensitive to native families. Parents gain knowledge and skills for their developing infant through 36 months of age. We also focus on goals and healthy living for parents as a support system for the family as a whole. The program consists of 63 lessons over a 39 month period and is divided into six modules. The modules are broken into these categories: Prenatal care (9 lessons), infant care (16 lessons), your growing child (11 lessons), toddler care (9 lessons), my family and me (6 lessons), and healthy living (12 lessons). While this may seem like a big commitment the lessons vary from 30 minutes to 90 minutes and some can be combined together as we work with your schedule. Family Spirit suggests we deliver at least 32 lessons to our families in order for families to benefit from the evidence based curriculum. For the full benefits of the program we would like to provide all 63 to our families. As a thank you for participating in our program we offer some incentives which we will be happy to share with you upon the enrolled in our program.*

*During your participation if you feel like the timeline of lessons is too often we can adjust the home visits to accommodate your schedule while still keeping the programs timeline in mind. We are a voluntary program that delivers home visits in the comfort of the homes of our families. If you would like to get more information and or meet our home visiting staff would love to schedule a home visit to give you a full overview of the program.*

# June is Home Safety Month

Adrienne Crookes, Community Health Advocate

The weather is warming up and the last thing you want to do is spend the summer in a cast, or worse yet, in the hospital or dead.

Injuries are a major source of childhood emergency room and hospital admissions. According to the National Safety Council and the National Center for Injury Prevention and Control:

- Injury is the leading cause of death in children and young adults.
- Falls are the leading cause of unintentional injury for children.
- According to *Injury Facts*, in 2012, an estimated 89,000 unintentional-injury related deaths occurred in the home and community.
- Drowning is the second leading cause of unintentional injury-related death among children ages one to 14. The majority of drowning, and near-drowning, occur in residential swimming pools and in open water sites. However, children can drown in as little as one inch of water.
- Airway obstruction injury is the leading cause of unintentional injury-related death among infants under age one.
- Approximately 45 percent of unintentional injury deaths occurred in and around the home. Unintentional home injury deaths to children are caused primarily by fire and burns, suffocation, drowning, firearms, falls, choking and poisoning.

## **There are many steps that you can take to ensure the safety of your home and family:**

- Learn CPR and make sure your babysitter has been trained. Call your local Red Cross or American Heart Association for class information
- Keep this number posted: **Oregon Poison Control 1-800-222-1222**
- Install childproof door locks and keep medications and potentially poisonous materials out of reach of children.
- Inspect your house for loose carpets, extension cords and other fall hazards for your safety as well as the safety of visitors, such as grandparents, who may be at risk for falls.
- Require that your child wear a bicycle helmet every time they ride a bike, skateboard, skates or scooter.
- Keep small objects away from infants and toddlers.
- Use appropriate car seats for children.
- Keep firearms locked and un-accessible to children.
- Never leave small children unattended in pools or bathtubs.
- Know the **Heimlich maneuver** and the universal sign of choking.

#### **Bear Claws and Teeth Available**

The Tribal Natural Resources Department periodically obtains bear parts from the Oregon Department of Fish and Wildlife for Siletz Tribal members to use in making regalia and ceremonial items. An effort to reduce the bear paw and snout parts to manageable size has been done by volunteers, but parts still have bone, fur and tissue attached. The final preparation of claws and teeth to create clean, useable items is the responsibility of the tribal member. Parts are kept frozen and are distributed on a first-come-first-served basis as they become available. Bear parts may only be used by Siletz Tribal members and may not be traded or sold. Tribal members interested in processing and using bear parts for regalia and other cultural purposes should contact the Natural Resources Department to be added to the waiting list by calling Mike Kennedy at 541-444-8232 or Denise Garrett at 541-444-8227.
