In the Spotlight

Each month we will spotlight a particular style of powwow dance.

Women's Jingle

This is one of the smoothest of all the female dance styles. Women's Jingle goes way back to the olden days and comes from a northern traditional story about a man who had a vision. This vision showed several women wearing specific dresses with various dangling objects and a peculiar dance.

The women showed the man how to make the dresses and conduct the dance which was meant for healing. The Jingle Dance originates from this story and in today's modern Powwow it still is performed. The outfits are usually made from different types of cloth and hold several "jingles" that make the clacking noise associated with it. In more traditional ways, the jingles were made from bird bones or deer hooves, but in present contemporary styles, the jingles are made from used tobacco can lids that are cleaned, cut, and molded into cone shapes. A feather fan is also used and held up high during the honor beats that accompany the songs.

2018 Per Capita Garnishment Notices Mailed June 10th

Be sure to respond if you receive one.

"General Delivery" is NOT an acceptable as a mailing address as it is only temporary and the Post Office will only hold the mail for a limited time for delivery. We had a large amount of "General Delivery" mail returned and this is not effective in getting mail to tribal members when we need to. It is much better to rent a Post Office box if you are not able to use a permanent address somewhere else. If this is a concern for you or someone on the Missing Moccasin list, call 1.800.922.1399 ext. 1258 and we will work with them to figure out a permanent address solution.

Mailing Address Updates For Per Capita Checks

The last day to get your mailing address updated in time for your **per capita check** to be mailed to a new address is **Friday, July 13, 2018** by the end of the business day. Any address changes after that date will affect the mailing of the per capita check, causing a delay in receiving it. Please see the information below about address changes and missing moccasins. For the full policy regarding per capita checks, please see the Tribal Member Distribution Ordinance on the tribal website www.ctsi.nsn.us under Government Listings > Tribal Ordinances.

One of the popular questions is **"How much is per capita going to be?"** That amount is calculated on July 1st taking in to account the amount to be distributed, the number of enrolled Tribal members alive on that day, and postage costs. On Monday, July 2nd after 12:00 PM you will be able to call **(541) 444-8224** to hear an automated recording of the amount as well as going to the Tribal website, under the opening page of the member area login for the written announcement.

WHERE IS MY PER CAPITA CHECK?

Per Capita checks are going to be mailed on Monday, July 31st to the current address on file with the Enrollment Department.

Scan the QR code below with your smart phone's camera to see the most recent Missing Moccasin List!

- The Tribal Member Distribution Ordinance requires distribution of checks to be initially MAILED; therefore it CAN NOT be picked up at the Siletz Tribal Office. Per capita checks are NOT able to be direct deposited.
- Mail from Siletz takes as long as four days to get to an address in Portland, Salem and Eugene. Please allow for the "snail mail" time before calling to see where your per capita check is.
- If you are a "Missing Moccasin" as of Friday, July 13th your check will be held until a correct address is submitted. If you are a "Missing Moccasin" and update your address between Monday, July 16th and Tuesday, July 31st the per capita check will be MAILED on Tuesday, August 1, 2018. All other "Missing Moccasins" that update their address after August 1, 2018 will have their checks mailed when the address update is received.
- The adult "Missing Moccasin" list is now on the Tribal website on the Enrollment page under Government Listing. Please check there to see if you know anyone that is listed.
- Policy states you must wait 15 business days (in the case of per capita checks until 8/22/2018) from the time of mailing before you can submit a request for a "stop payment" and have the check re-issued. This allows time for the check to be returned if it is "undeliverable" to the address it was mailed to.
- If your check is returned as "undeliverable" you must submit an address update in order to have your check re-mailed.

MISSING MOCCASINS DO NOT RECEIVE THEIR PER CAPITA CHECKS ON TIME!

If someone does not have a good address and phone number on file with Enrollment, that person is considered a "Missing Moccasin." Please check the list on the Tribal web-site for anyone you might know. Missing Moccasins do not receive this newsletter, election mail, per capita checks, 1099 forms and other important mail from the Tribe. Are you a parent of a minor Tribal member that did not receive a statement of their Minor Trust account earlier this year? It could be that your CHILD is a missing moccasin.

ADDRESS CHANGES

If you have recently moved, even if you have a forwarding address on file with the post office, please get your **Address & Contact Information Update** form in as soon as possible. You can get the form on the Tribal website, from any Tribal office or contact the Enrollment Department to have one mailed to you. All address updates must be in writing to ensure that you have requested the address to be changed, this is for your own security. *As a note, "General Delivery" is NOT an acceptable as a mailing address as it is only temporary and the Post Office will only hold the mail for a limited time for delivery. We had a large amount of "General Delivery" mail returned and this is not effective in getting mail to tribal members when we need to. It is much better to rent a Post Office box if you are not able to use a permanent address somewhere else. If this is a concern for you or someone on the Missing Moccasin list, call 1.800.922.1399 ext. 1258 and we will work with them to figure out a permanent address solution.*

Office Hours: Monday - Friday 8:00am - 4:30pm

Babies communicate through their cries, coos, facial expressions, and body language long before they say their first words. Responding to your baby by making eye contact, talking and meeting her needs shows that you are there and she can trust you. Look in your baby's eyes and talk to him throughout the day as you feed, change and play with him. The pictures below show you cues your baby gives that he or she is hungry. Learning to respond to your baby's cues is a big step in bonding and attachment.

From the archives:
Summer fun, summer challenges:
Summer is a time when the sun is out, and feelings can be at their highest, happiest point. For children and adults still in school, summer can also be a time of turmoil, brought on by the lack of a daily schedule. It may be a time that parents ease their kids off medications that are necessary during the school year.

- 4) Take some time each day to give yourself and your family a feelings check-in; this way you can catch depression and anxiety before they get out of hand.
- 5) Meditation, relaxation—take time each day to sit and reflect, and unwind from the day’s stresses. Don’t forget, if you aren’t caring for yourself, it will be harder to care for others.

Here are some things to keep in mind to help summer be enjoyable for all, and a time of mental health:

- 1) Exercise— Go out and do a fun physical activity; 30 minutes every day can do so much for our souls. The summer is a great time to get outdoors and go do hikes, go to the pools that are opening back up.
- 2) Try and create a routine, and stick to it more days than not. Of course, things will come up, just get back to that routine when you can.
- 3) Sit your children down (or yourself) and discuss goals and expectations for the summer months. Everyone breathes a bit more easy when it’s known what should be happening.

Traditional Coping
Traditionally, summer is the time of salmon fishing, clam gathering, and berry picking. There are many plants important to the tribe that get picked during the summer. If you’re unfamiliar with such activities, reach out to an elder, for they truly have a wealth of knowledge. As always, smudging, sweats, and talking circles are ways to reach to our Native traditions
